Tuition Express Due Dates indicate the day parents are responsible to have funds available for the automatic deduction (ACH payment) using Tuition Express. These dates are not an indication of when transactions are posted on parent accounts. In most cases, deductions of funds are made within the week of the due dates. However, this may differ if there are holidays or closed days within the deduction week and determined by parent's banking institution. Tuition Express Due Dates indicate the beginning of a new payment cycle.
